- Viewers may not "skip" or fast forward content as the video will stop and resume once you return. A student must view the video completely to receive participation/viewing credit.
- In the future, NNAHRA will be adding questions to various sections to gauge comprehension.

Visit https://edpuzzle.com to join establish a login and join the classroom using the class code **pevirri** to join NNAHRA's classroom.

1. Click "I'm a Student"
