NNAHRA and Drummond Woodsum have joined forces to take the Tribal Human Resources Professional (THRP) training virtual. This 6 session online course will provide HR Professionals in Indian Country with the practical knowledge and skills they need to handle the unique employment challenges facing tribal governments and their enterprises.

Participants will learn and apply employment laws, with a specific emphasis on protecting sovereignty. Topics will focus on issues HR Professionals grapple with every day, including discrimination, wage and hour issues, employee discipline, investigations, evaluations, leaves of absence, union activity, Indian Preference, and more. The course includes online interactive exercises to reinforce learning and help participants gain confidence in navigating complex employment issues. Participants who successfully complete the final exam receive the NNAHRA Tribal Human Resources Professional Certification. Join over 1,000 of your fellow HR Professionals who already hold the THRP certification, which is widely recognized as the essential HR credential in Indian Country.

Space is limited to 80 participants!
